RE: ACT 776 AND 1059 LOCAL DISTRIBUTION REPORT

DEAR MAYOR OR JUDGE:

Act 776 provides the Department of Finance of Administration prepare a report of the awarded amounts of credit or rebate of sales and use tax in Ark. Code §§ 26-52-427, 26-52-523, and 26-53-138 to each city government and county government impacted by the award of the credit or rebate.

Act 1059 provides the Department of Finance of Administration prepare a report including the total number of sales and use tax permit holders and the tax amounts reported to the Department by North American Industry Classification System four-digit code to each city government and county government.

The Department of Finance and Administration shall not discuss any details of the report with the city government, the county government, or a third party. The information received by a city government or county government under this subsection shall remain confidential and is not subject to disclosure.

The monthly reports required by Act 776 and Act 1059 of 2021 may be accessed online beginning January 2022.
